

First Parish in Lincoln (MA) Settled Minister Position

First Parish in Lincoln, a mid-sized liberal Protestant parish with roots in the 1750s, seeks a settled full-time Senior Minister, starting August 2022. Located in suburban Boston, FPL is an interdenominational church (UUA-UCC) open to all, serving a membership that includes a wide range of faith backgrounds. We have a long tradition of active lay leadership that has creatively sustained and engaged our congregation throughout the pandemic. We seek an experienced, substantive, and inspiring speaker; a dedicated, caring pastor; and a skillful, energetic collaborator willing to take active part in community life, to nurture growth and diversity in our membership, and to support FPL's social justice and environmental action initiatives. Adjacent parsonage available. For details about the search, visit www.fplincn.org/ministerial-search/, which will be updated with additional information about our church and community throughout the fall.
